Early Registration Deadline Extended

Due to overseas and local summer travel, many delegates have requested an extension of the registration date. Therefore, the early registration date is extended to **July 17, 2019**. Kindly send your registration form along with applicable fee to the address given in the form. For better logistic planning, we request all the attendees to send their registration forms as soon as possible. After Jul 17, 2019, the early registration will be closed and only on-site registration will be available at the convention venue. Pl. visit www.aligs.org for the registration form. Thanks for your attention!
